*Password: _____

- * The purpose of the password is to provide a secret word which you can disclose to us if the need arises for you to telephone us concerning matters pertaining to your child. For example, parents often call us to inform us that someone like a neighbor will be picking up their child. Since we have no real way of knowing that the person on the other end of the line is really who he/she claims to be, the password provides a solution. You should not disclose the password to anyone, including your children.
- By enrolling my child in Poko Loko Early Learning Center, Inc., I hereby grant Poko Loko Early Learning Center, Inc. permission to photograph my child in a reasonable and professional manner for promotional and advertising purposes, (i.e. picture day, special events, projects, wall hangings, etc.).
