Everyday Shoe Policy

- No matter the weather, we ask that all children (excluding infants) and their parents don't wear their outdoor shoes inside the classrooms.
- Each child should have an indoor pair of shoes stored in their locker cubby.
- Parents should slip off their shoes before entering classrooms.
- Please help your child change into the indoor pair during drop-off and into their outdoor pair during pick-up.

Wet & Snowy Days Policy

- In order to help keep the hallways clean and dry, we ask that everyone remove their shoes before the front red gate into the school whenever the "Wet and Snowy Day" sign is posted to it.
- Please either carry your child or have them carry their wet shoes to their locker.
- Blue booties will be available for those hard to remove adult shoes.
